To Whom it may concern:

I would like to take a moment to recommend Chill Catering as a leading catering company in the New England Seacoast area.

Chill Catering has offered their top notch services to the University of New Hampshire on numerous occasions. Whatever the function, Gary Shevenell has been there to create a wonderful menu to suit our needs. The food not only arrives on time, but has surpassed our expectations time and time again.

Furthermore, he has a way of displaying the food in both a functional and an attractive way to meet the demands of a large crowd. When dealing with Chill Catering, they are the experts and they do know how to work the crowd with food. Whatever your party plans may be, your function will be both delightful and delicious with Chill Catering.

Sincerely,

Jennie E. Allen
